About Us

ARR Group is a trusted and growing name in the scrap buying, trading, exporting, and recycling industry. We specialize in buying and selling all types of metal scrap, paper scrap, plastic scrap, and second hand clothes at the best market prices. With years of industry experience, we have built a strong reputation as a reliable scrap buyer, exporter, supplier, and wholesale trader serving homes, offices, factories, warehouses, and industrial units. Our company is committed to making scrap selling simple, profitable, and completely hassle-free. We provide fast pickup services, transparent weight measurement, instant payments, and professional customer support to ensure a smooth experience for every client. Whether you want to sell old scrap materials or purchase bulk reusable products, ARR Group offers trusted solutions with quality assurance
